Re: WT Docket No. 96-198 and CC Docket No. 98-67

As a result of the merger of GTE and Bell Atlantic to form Verizon Communications and pursuant to the Commission's Reports and Orders above, this is to designate the undersigned as the contact person to handle accessibility concerns and interstate TRS complaints for Verizon. This designation supersedes the GTE designations made earlier this year, copies of which are attached.

The following information should be posted on the Commission's web site for all Verizon wireline customer contacts related to Section 255 issues:

Richard T. Ellis  
Director – Federal Regulatory  
Verizon Communications  
1300 I Street NW, Suite 400-W  
Washington, DC 20005

202-336-7839 (voice)  
202-336-7922 (fax)  
202-336-7863 (TTY)  
email: richard.t.ellis@verizon.com

To reduce customer confusion, the Commission may wish to continue to list GTE and Bell Atlantic with a referral to Verizon. Please note that this change does not impact the contact information currently posted for Verizon Wireless customers.

Sincerely,

Enclosures: GTE letters

As you may know, the merger of GTE and Bell Atlantic is imminent. I am certain that in due course there will be new designations for the new company, Verizon Communications, but the above named individuals should be used for the GTE properties in the meantime.
